No. 269

Tumkur, 4th August 1914

To,

The Secretary to the
Dewan of Mysore —
Revenue Department

Sir,

I have the honor to append in the margin for the information of the Dewan two resolutions adopted in the recent meeting of the Local Fund Board of this District held on 29th July last.

VI Resolved that five hundred Rupees may be appropriated for establishing a dispensary either in Chikkanaya Kanahalli or Anliyar and that the Dewan may be requested urgently to sanction it at once.

X Resolved that the remaining Sum of Rs 650 be appropriated for building a Dispensary in Chikkanayakana halli for which purpose there is a prospect of collecting a local contribution and getting a grant from the Municipality

Fever is very prevalent in Anliyar and Turu vekere Sub Divisions as also in Chikkanayakanahalli Taluk. With considerable trouble the services of two Hospital Assistants have been temporarily procured and the

are now doing duty in those places. But in this arrangement Jemkhur has been deprived of one of its Assistants which is not very desirable. The location of a Hospital Assistant in Chikkanayakanahally permanently seems to me to be a very necessary measure, and in this opinion all the other members of the Board concur. As funds have been set apart for the purpose I beg that you will have the goodness to obtain the very early orders of the Dewan to open a Dispensary at Chikkanayakanahalli. When lately at Bangalore I represented this want to the Dewan, and I believe he is himself in favour of the measure. Under these circumstances I have in anticipation of the Dewan's sanction requested the Brigade Surgeon to appoint a Staff, and send out furniture and medicines at once to open a Dispensary at Chikkanayakanahalli. I shall rent a building for the present, and as ~~Rs~~ 650 have been set apart for erecting
